Sir,

As per by-laws framed under the Madras Hackney Carriages Act, which is in operation in the Mangalore Municipality of this District, the powers and functions of the Commissioner are vested in the District Superintendent of Police.

2. The District Superintendent of Police, reports that the duties imposed by the Act could not be performed by him in the present day conditions of administration as he has now increasing and multifarious duties to discharge which were not anticipated and taken into account when the duties of the Commissioner under the Act were delegated to the District Superintendent of Police. He, therefore, requests that these powers may be delegated to some other responsible officer for the satisfactory working of the Act and recommends that they may be delegated to

P.T.O.

the Headquarters Deputy Superintendent of Police, in accordance with the provisions of section 5-2 of the Act. I agree with him and recommend that necessary delegation may be ordered.
